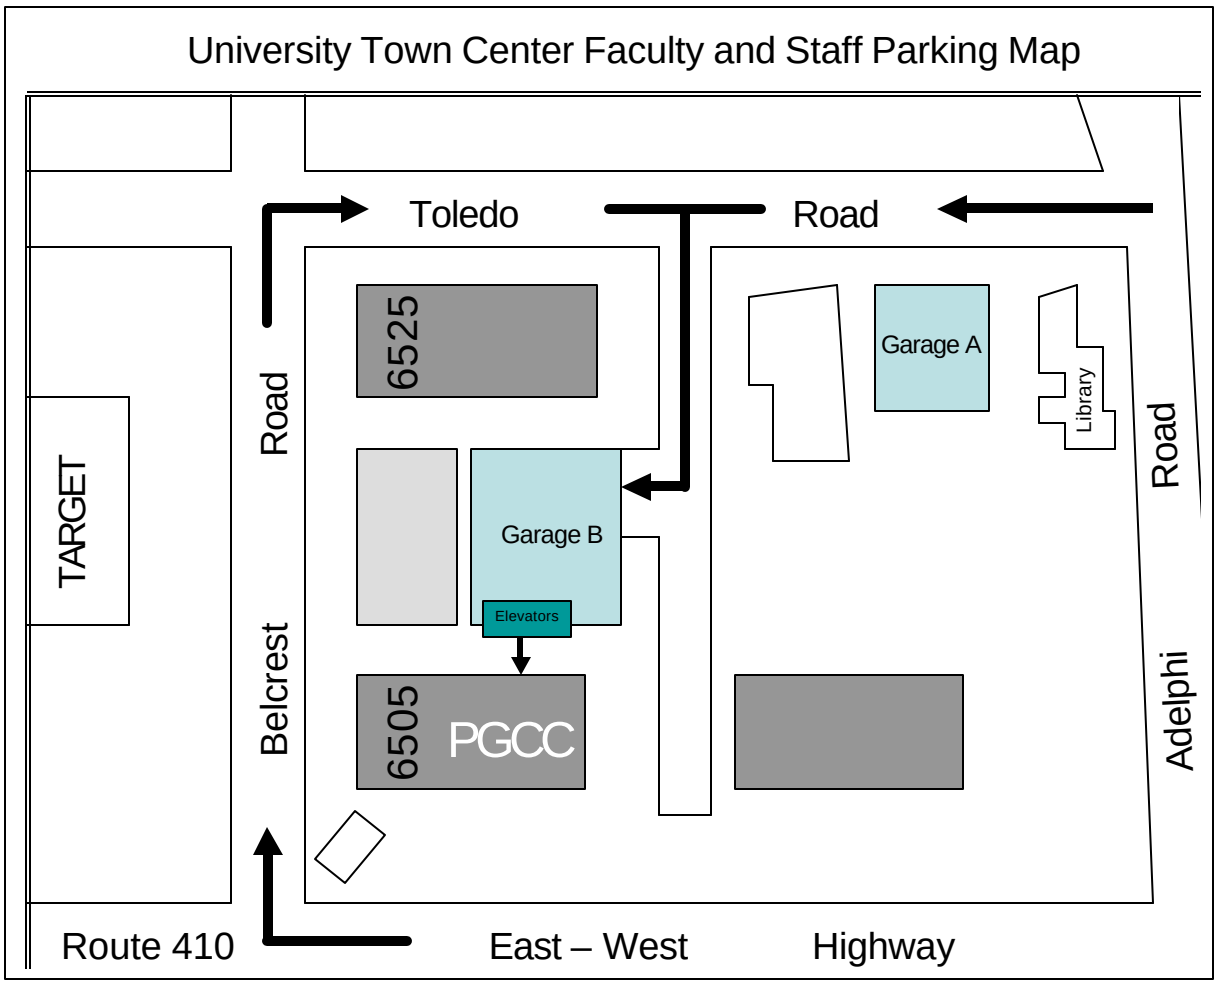
FALL 2006



- As of June 2006, all College employees are expected to park in Garage B. This includes evening and weekend employees. Surface parking is no longer available.
- To access the garage, all PGCC employees based at UTC must complete a NEW parking permit form (available in office 206) and obtain a NEW plastic access card.
- In addition to having an access card to enter the garage, a valid hang tag is required. For now, both Red 06 and Brown 06 hang tags will continue to be acceptable.
- The access card is free to college employees, but there will be a $20 charge for lost access cards and a $25 charge for lost hangtags ($45 if both are lost).
- Currently, College employees are able to park anywhere in the garage. At some point in the future, however, that may change. Obviously, you should obey posted signs.
